this is the ebook of the printed book and may not include any media website access codes or print supplements that may come packaged with the bound book authored by an accomplished professional in the field how to produce a fashion show from a to z is an effective and up to date guide to producing a fashion show the text provides step by step methods and interactive resources drawn from actual productions and is a modern working manual for students teachers and new designers it provides concise coverage of the process of production and also highlights other related careers including public relations modeling and styling this inside look at the world of fashion show production emphasizes realistic practical methods and proven strategies for success in an engaging project based workbook format

this book provides a concise and much needed introduction to the sociology of fashion most studies of fashion do not make a clear distinction between clothing and fashion kawamura argues that clothing is a tangible material product whereas fashion is a symbolic cultural product she debunks the myth of the genius designer and explains provocatively that fashion is not about clothes but is a belief

there is an institutional structure ignored by many fashion theorists that has shaped and produced the fashion phenomenon kawamura further shows how the structural nature of the fashion system works to legitimize designers creativity and can make them successful newer fashion cities such as milan and new york are the product of the fashion system that originated in paris without that systemic structure fashion culture would not exist fashion ology provides a big picture approach that focuses on the social process behind fashion and its perpetuation
